

Sample Job Postings Test Report

Benchmark Dataset for Fraudulent Job Posting Detection System

Overview: This document provides a curated set of sample job descriptions containing both legitimate corporate openings and known fraudulent/scam indicators (such as unrealistic salary claims, vague company profiles, upfront payment demands, and lack of verified contact info) to evaluate machine learning classifiers.

1. Software Engineer - Cloud Infrastructure

ID: JOB-2026-001 • Location: San Francisco, CA (Hybrid)

✓ Legitimate

Company Profile: Global Enterprise Cloud Solutions Inc. (Verified Employer)

Salary Range: \$140,000 - \$180,000 / year

Employment Type: Full-time

Requirements: BS in Computer Science, 4+ years experience with AWS/Kubernetes, Python/Go.

Description: We are seeking an experienced Cloud Infrastructure Engineer to design, scale, and maintain our multi-region Kubernetes clusters. Competitive health benefits, 401(k) matching, and annual professional development stipend provided.

2. Data Entry Clerk - Work From Home (Immediate Start)

ID: JOB-2026-002 • Location: Remote / Worldwide

⚠ Fraudulent Risk

Company Profile: Not Available / Unverified Third-Party Recruiter

Salary Range: \$1,200 - \$2,500 weekly (No experience needed)

Employment Type: Contract / Part-time

Requirements: Basic computer skills, internet connection, and a laptop.

Description: Earn quick cash typing names and entering digital documents from home. Training provided instantly. Note: Candidates must purchase mandatory specialized typing software (\$95 startup fee refundable after first week).

3. Junior Frontend Developer

ID: JOB-2026-003 • Location: Austin, TX

✓ Legitimate

Company Profile: NextGen Web Technologies (Verified Startup)

Salary Range: \$75,000 - \$90,000 / year

Employment Type: Full-time

Requirements: Proficiency in HTML5, CSS3, JavaScript (React), and Git version control.

Description: Looking for a passionate Junior Frontend Developer to join our product engineering team. You will work closely with UX designers to build responsive, accessible web applications. Full medical and dental coverage included.

4. Global Package Processing & Money Transfer Agent

ID: JOB-2026-004 • Location: New York, NY

⚠️ Fraudulent Risk

Company Profile: Anonymous Reshipping Partner LLC

Salary Range: \$5,000 / month (2 hours work per day)

Employment Type: Independent Contractor

Requirements: Must have personal bank account or home address to receive parcels/funds.

Description: Receive packages and wire transfers at your home address and forward them to international destinations using your personal account. No formal interview required. Immediate onboarding via Telegram messaging.
